**Planning Tomorrow's Parishes:** Planning Tomorrow's Parishes is an undertaking of such magnitude that we cannot succeed without God's help and an abiding spirit of prayer. In addition to our own daily personal prayer and weekly Mass celebrations, Bishop Cistone will lead a **Holy Hour** each month throughout this year. *Holy Hour* is a devotional tradition of spending an hour in Eucharistic Adoration in the presence of the Blessed Sacrament. *Holy Hour* for our planning process will continue next month. Future dates and parish locations will be available soon.

*From Sr. Joann:* The goals of the *Planning Tomorrow's Parishes* project promoted by Bishop Cistone include: 1) To enhance the vibrancy of parish life, 2) To strengthen the presence and ministry of the Church, 3) To foster an appreciation for and participation in Sunday Eucharist, 4) To promote new evangelization efforts, 5) To realign parishes considering the number of priests available to serve, financial resources and changing demographics, 6) To ensure that all parishioners have opportunities for quality lifelong Christian education and formation, 7) To strengthen service to those who are marginalized, 8) To promote vocations to ordained and lay ministry, 9) To support new initiatives for youth and young adults, 10) To build a greater sense of unity among Catholics from all cultures, 11) To increase collaboration among all entities in the local, national and universal Church, 12) advocate for peace and justice in the Church and in the world. These are the goals that our Core Team will keep in mind as we continue to implement steps of this study. Just a reminder that next weekend at both masses our Parish Core Team Members will be addressing the congregation and will be available after the masses for questions.
