Stewardship Thought: "The harvest is rich," Jesus tells the seventy-two in today's Gospel, "but the workers are few." The situation is the same today. How can I help with God's harvest? Am I called into the field? Am I one who could provide food or shelter or wages to those who toil in the fields of the Lord?

From Sr. Joann, This weekend we celebrate Independence Day and the richness of the freedom with which we are blessed as citizens of this nation. While enjoying the fireworks and the laid back days of summer, take a few moments to give thanks for our country and our people. Remember especially those individuals who over the years have made our freedom possible.

There are a number of families that find themselves away from Bay City and not able to join us for weekend liturgy yet still faithfully send us their weekly envelope. I am very grateful for these individuals who realize St. Hedwig's still needs to pay the bills even when they are not present. They are practicing very good stewardship. Thank You!

Good Stewardship... A thank you goes out to Mike & Karla Weber for painting the white columns and trim on the front of the parish house.

We received the following thank you note from the Women's Shelter for our donation of the food that was left from our Appreciation Dinner.

Since 1975, Bay Area Women's Center has relied on community support for vital needs of our agency. Through the generosity of individuals like you we are able to provide free services to victims of domestic violence and sexual assault.

Thank you for being a positive force in our mission to eliminate violence in our community.

Regina Turner, Executive Director

CSA Follow-up calls will be made in the coming week to those parish members from whom we have not yet heard.
