Stewardship Thought: One miracle of Pentecost was that, despite their diversity, each listener heard God's word in his or her own language. The meaning for stewardship is that, by sharing the gifts poured out on us by the Holy Spirit, we will be empowered to meet the needs of our brothers and sisters, whatever they may be.

From Sr. Joann, For the Jewish people, Pentecost was a feast of Thanksgiving and also a time to commemorate the giving of the commandments at Mt. Sinai. It was celebrated 50 days after Passover. For the first Christian believers, gathered to celebrate this feast in Jerusalem, the giving of the Holy Spirit reinvented Pentecost. It marked a new beginning: God would be present among his people not in words carved in stone, but in a whole new way, living in their hearts through the gifts of the Holy Spirit. St. Paul reminds us that those gifts are not meant to be used only for ourselves. Rather, they are meant to be used in the service of others. How appropriate that this week we take time to thank our many volunteers, who have given their service to the parish. We especially thank Jim Horner, whose term is ending on our Leadership Council.

We offer our prayers and sympathy to the family of Rose Simmons who was buried from St. Hedwig last week. May Rose enjoy her new and eternal home.

Last chance- RSVP by Tuesday, June 2 if you plan on attending the Appreciation Dinner.

With joyful hearts we welcome into our parish family Michael & Keri Kubasiak along with their son Camrin. May we make them feel welcome as we continue to grow in faith together.

A big thank you goes out to Judy Carroll for the donation of \$1000 she made to St. Hedwig in memory of her late husband and daughter, Eugene Carroll and Rebecca Andress. May their souls and all the souls of the faithful departed rest in peace.
